Child Safeguarding Statement

To be read by everyone involved in School Lettings and those assisting with the supervision of young people (at all times).

All children and young people have the right to grow up in a safe and caring environment, which includes the right to protection from all types of abuse.

Children and young people have the right to expect adults in positions of responsibility to do everything possible to foster these rights.

We believe, therefore, that regardless of whether or not we are in loco parentis, both the School and the Hirer have a duty of care to:

- Children and young people who take part in any activity.
- Staff, including student helpers who are asked to take part in any activities.
- Parents/carers of the children that are placed in our care.

Guidelines:

Staff (and Letting Organisers/users) should always be aware of the needs of young people, and be vigilant for any possible signs of abuse.

Staff/Hirers should not spend time alone with young people, especially away from others. Meetings with individual young people should take place as openly as possible. If privacy is needed, the door should be left partly open and other staff present or informed of the meeting.

Staff/Hirers should not have unnecessary physical contact with young people. There may be occasions when physical contact is unavoidable or positively desirable or necessary, such as providing comfort or reassurance, or for physical support. Contact may also take place during sports. Physical contact should, however, only take place with the consent of the child and the purpose of the contact should be made clear.

It should be remembered that on rare occasions young people themselves can be responsible for abusing their peers.

Staff/Hirers should never:

- engage in sexually provocative or rough physical games;
- allow children to use inappropriate language unchallenged (e.g. racist, sexist or homophobic comments);
- make sexually suggestive comments in front of, about, or to a young person, even in fun;
- let allegations made by a young person go without being addressed and recorded;
- deter young people from making allegations through fear of not being believed;
- jump to conclusions without checking facts;
- rely on their own good name to protect them (i.e. everyone regardless of position should adhere to these guidelines).

- c) That the premises remain secure during the let by regular patrolling and monitoring of the entrance(s) being used.
- d) That the premises are checked before and at the end of the letting (with a representative of the Hirer) for damage and to ensure that they have been left in a neat, clean and tidy condition.
- e) That, where the same accommodation is hired by more than one group on the same day, the accommodation is checked between each letting.
- f) That, as far as practical, users of the site do not behave in a manner likely to cause injury to themselves and/or others, or to result in damage to the school or its contents.
- g) That, in the event of an emergency, appropriate assistance (e.g. ambulance) is summoned. In the event of a fire alarm being triggered, ensuring that all persons follow the fire instructions in clearing the building.
- h) Duty Site Supervisors cannot change any aspect of these Conditions of Hire.
- i) Duty supervisors will do their best to ensure your event runs smoothly. On rare occasions things can go wrong. If they do we will do our best to put things right in a friendly and helpful manner.
- j) Our staff will treat you with respect and courtesy. We ask that our staff are treated the same way and are not insulted, abused or threatened.

Policy for Use of Brannel School Premises & Lettings

Introduction

Brannel School is committed to being at the heart of the local community and supporting it. It will do this by committing to the concept of lifelong learning and by facilitating improvements in the quality of life in the villages and surrounding areas.

Brannel School will support local community groups and sports, social and arts events; they will promote equal opportunities and fair access for all. The benefits of this will also be felt within the school, by raising the self-worth of our students and by making the school a more welcoming place for all.

Aims

- To ensure fair access to school facilities.
- To set out the circumstances under which the school may refuse use of facilities.
- To confirm the rights of the school to make reasonable charges for use of facilities.

Statement of Intent

- The Governing Body accepts its responsibility to administer the letting of the school premises.
- The governors will delegate day-to-day responsibility for lettings to the Headteacher.
- The governors will allow the use of premises in the following order of priority:
 1. Governing Body and School functions.
 2. Recognised concessionary users, i.e. voluntary organisations and charities.
 3. For-Profit organisations.

Policy Strategies

The school publishes a list of charges as a basis for booking facilities. The school, via the Headteacher, may refuse use of facilities on reasonable grounds. These are likely to include the following:

- Unreasonable hours.
- Unreasonable disturbance to local residents.
- Non-availability of staff (e.g. caretaking / cleaning) or facilities.
- Health & safety considerations.
- Potential damage or wear and tear.
- Disruption of other school / community activities on site.
- Lack of security / supervision.
- Detriment to community relations and community cohesion.
- Use of the facilities for political purposes.
- Conflict with school policies.

Free Use of Premises

If the Headteacher deems an activity to be in support of the core area of the school then he/she may decide on no charge /reduced charges for its use. Occasional lettings/events arranged by associate primary/secondary schools and colleges may also be agreed on a no charge/reduced basis at the Headteacher's discretion, subject to cost considerations.

Responsibilities

The Mid-Cornwall Co-Operative Trust owns the land and buildings of the school; these are held on trust for the benefit of the school and are subject to the provisions of the Trust.

The Governing Body has responsibility for day to day control over the school premises and for agreeing the policy for use of the premises.

The Headteacher is responsible for implementing the policy and ensuring that all relevant staff is aware of its main provisions.

It is the responsibility of a potential user of the premises to demonstrate to the Headteacher that use of the premises will not give rise to concerns outlined above.

The governors will set and annually review charges for lettings.
