

Project Evaluation

Answer each question in draft form first, write a couple of sentences for each.

Add as much detail as possible.

You are evaluating the whole project as well as the final piece.

Transfer rough draft into your sketchbooks.

AO1 Development of ideas/Research

- Which artists/photographers did you research in this project? Why?
- What did you find interesting about their work?
- What other images inspired you?
- What aspects of the artists work helped you come up with your final piece ideas?
- How did other research influence your final piece?

AO2 and 3 Experimenting and recording your ideas, observations and insights

- What experiments did you do in this project?
- What photo-shoots did you complete? Where? When? How? And Why?
- What photo editing did you try through this project?
- What editing did you use in your final ideas?
- What images worked well and why?
- Describe your 4 initial ideas and how they relate to the theme.
- Which idea did you choose and why? What changes were made from your initial ideas and why?

AO4 Final piece

- How did you take and edit and present your final piece?
- Can you see the inspiration clearly in your final piece?
- What was the most successful aspect of your final piece?
- What could you improve in your sketchbook/final outcome?
- Did your final piece evolve or change as were producing it? How and why?
- What do you want to develop in the next project?
- What would you do differently if you were to do this again?
