

November 2018

Dear Parent/Carer

Year 9 Boys and Girls Immunisation Programme – Monday 4th March 2019

Please find enclosed a letter from Kernow Health regarding the Meningitis ACWY and Tetanus/Diphtheria and Polio vaccination programme. This has been put in place to help protect children against these.

The immunisation programme will be taking place at Brannel School on Monday 4th March 2019. It is no longer the case that a child can be immunised at their GP surgery, if they fall into the cohort to be immunised.

As has always been the case, Kernow Health will require consent, any student without a consent form will not be immunised. However, if a student wishes to give their own consent and are assessed by nurses as competent to do so – known as ‘Gillick competent’ – Kernow Health will immunise. If you would like more information regarding this please contact Kernow Health.

We understand that not all parents/carers have access to email or texts. If this is the case please could you telephone the Kernow Health office on 01872 221105/06 who will take verbal consent and complete the form with you over the phone.

If you have any questions please do not hesitate to contact Kernow Health on 01872 221105/06.

Please read the enclosed letters from Kernow Health and follow the links provided to submit your form. You can also find the enclosed letter on our school website, www.brannel.com.

Yours sincerely

Mr A Edmonds
Headteacher
