March 2019

Dear Parent/Carer

Update on Headteacher Recruitment

I am writing to update you on the process to secure a new Headteacher for Brannel School from September 2019.

We have had a National advertisement in place for the past few weeks, which has generated significant interest. Many of the potential applicants have visited Brannel to find out more about the school and its community and also to discuss the role. We have been delighted with the quality of those who have been interested in applying for the post of Headteacher.

The deadline for applications was last Friday, 22nd March 2019. We will be looking closely at those applications and shortlisting those we are going to invite to interview. These interviews will be taking place during Monday 1st and Tuesday 2nd April. Students and staff will have the opportunity to participate in the process and will be able to meet the candidates as they visit the school.

I will write again once the interview process has been completed and, hopefully, give you the exciting news of the appointment of a new Headteacher for Brannel school.

Yours sincerely
