Dear Parents/Carers

Appointment of New Headteacher

Following the interviews which took place earlier this week I am writing to inform you that Mr Chris Liles has been appointed as the new Headteacher of Brannel School from September 2019. Mr Liles is currently the Deputy Headteacher at Humphry Davy School in Penzance.

As I wrote in my previous letter, we received a high number of applications. The interview process was rigorous and challenging and the Trust is confident that its decision to appoint Mr Liles will secure the school as it embarks on the next phase of improvement and development.

Over the course of the Summer Term, we hope that Mr Liles will be able to spend some time in school with Mr Edmonds, staff and students to ensure a smooth transition. We are sure he will write personally to introduce himself as soon as it is practicable.

I would like to take this opportunity to thank the staff and students of the school for helping with the interview process and supporting each candidate that visited.

Yours sincerely
