Staff volunteer their time so that Easter School can run. We are well aware that in previous years this has made a big difference to the progress of students. For some students it offers a quiet environment to allow them to revise, with a teacher available to help if necessary. The staff also develop resources and questions that help the students access exam questions.

Please encourage your child to attend. Unfortunately, no transport is available. Students will need a small snack and drink. They are not required to wear uniform and must come prepared with the resources they need for the various sessions e.g. revision folder and equipment.

If you have any queries or concerns, then please contact Mrs Harris, Exams Manager or myself.

Yours sincerely

Mr Goodwin
Deputy Head teacher
