

25th January 2023

Dear Parents/Carers

The National Education Union has voted to take Industrial action on Wednesday 1st February 2023, Thursday 2nd March 2023, Wednesday 15th March 2023, and Thursday 16th March 2023. We advise that parents and carers put a plan in place for these days as Brannel School is likely to be affected.

We respect the right to take industrial action following a properly conducted ballot. Under Government guidance we are required to take all reasonable steps to keep the school open. This decision will be made taking into account health and safety and other factors. In the event that it becomes necessary to close or partially close the school, we will endeavour to provide remote education.

Staff can be asked, but do not have to inform us, whether or not they will be on strike. Therefore, it is possible that you may only be informed on the morning of the above dates if the school is closed. This means that some element of disruption is highly likely.

We will provide more details as we have them, however, please start to prepare now by considering alternative childcare arrangements in case it is needed. Thank you for your support and understanding.

Yours sincerely

Mr C Liles
Headteacher
