

BRANNEL SCHOOL EXTRA

Welcome to

BRANNEL SCHOOL EXTRA

Our enrichment programme goes beyond the classroom, offering various lunchtime and after-school activities. These extracurricular experiences aim to foster personal growth, skill development and social interaction. Engaging in these activities promotes teamwork, leadership and a sense of belonging. Students get to explore their interests in a supportive environment, be it in sports, arts or other clubs. We encourage students to choose activities that align with their interests, helping them discover strengths, build friendships and develop a practical skill set.

Explore the diverse activities outlined in our brochure and we encourage every student to participate in at least one this term.

After school enrichment activities all finish at 4.30pm. A late Bus is available Monday-Thursday at 4.30pm
